Dear Members of the Howard Gardner Community,

We had our second COVID-19 case reported to the School; one of our teachers, from a different Pod than the student-reported case. Therefore we will be **dismissing today at 11:30 a.m.**, lunch will not be served, and buses and vans will provide transportation.

In light of our situation, we will go **all-remote through November 27<sup>th</sup>**. We will then assess the situation by November 25<sup>th</sup> to determine whether we resume in-person learning on November 30<sup>th</sup> or continue all-remote learning. The 5+ program is suspended until further notice. Updates will be forthcoming.

Thank you for your understanding. Please stay safe and healthy.
