

Howard Gardner MI Charter School

Primary Pod Materials List

Welcome to the Primary Pod, 2021-2022!

Primary I: Alyssa Rook and Shelly Pazzaglia (Mathematics)

Primary II: Brie Devine and Betsy Briganti (Social Studies)

Primary III: Kait Hicks and Pita McFarland (Literacy)

This year, students will have one teacher for each core subject. Students will stay in their homeroom and the core subject teachers and instructional assistants will rotate to each classroom. Below are the supplies that each student needs in their tool box or for their core subjects. These items will stay in the classroom with your student.

- 1 box pencils (extra erasers are a good idea too)
- Small pack of crayons
- 8 pack markers
- Small pack colored pencils
- Glue sticks (2-3)
- Scissors
- 3 composition notebooks with manuscript handwriting lines (Staples or Walmart)
Please label each notebook for each subject (MATH, SOCIAL STUDIES, LITERACY) along with your child's first and last name
- 3 folders (without prongs) **Please label each folder for each subject (MATH, SOCIAL STUDIES, LITERACY) along with your child's first and last name**
- Non-spill water bottle (optional but highly recommended)

****PLEASE NOTE: Please label all items (if able) and make sure they can fit in the pencil box (NOT composition books, water bottle, or any items that your student has multiple of, we can store those appropriately).****

We are so excited for this coming year! Please let us know if you have any questions!

Sincerely,
Alyssa, Brie, and Kait
