- Require each candidate for employment, including substitute teachers, to submit an official child abuse clearance statement and state and federal criminal history background checks (certifications) as required by law.
- Ensure that a candidate for employment is not hired if he or she is the perpetrator of a founded report or the individual responsible for a founded report.

The CEO or designee shall ensure that the poster, developed by the PA Department of Education, displaying the statewide toll-free telephone numbers for reporting suspected child abuse, neglect and school safety issues be posted in a high-traffic, public area of each school. The designated area shall be readily accessible and widely used by students.

The CEO or designee shall annually inform students, parents/guardians, independent contractors, volunteers and staff regarding the contents of this Board policy.

Aiding and Abetting Sexual Abuse

HGMICS employees, acting in an official capacity for this school, are prohibited from assisting another school employee, contractor or agent in obtaining a new job if the school employee knows, or has probable cause to believe that such school employee, contractor or agent engaged in sexual misconduct regarding a minor or student.

This prohibition applies only to assistance that extends beyond performance of normal processing of personnel matters including routine transmission of files or other information. This prohibition shall not apply if:

- The relevant information properly reported to law enforcement officials and any other authority required by federal, state or local law and the matter has been officially closed or the prosecutor or law enforcement officials notified school officials that there is insufficient information to establish probable cause.
- The school employee, contractor or agent has been acquitted or otherwise exonerated of the alleged misconduct.

The case or investigation remains open and no charges have been filed against, or indictment of, the school
employee, contractor or agent within four (4) years of the date on which the information was reported to the
law enforcement agency.

Training

HGMICS and its independent contractors shall provide their employees who have direct contact with children with mandatory training on child abuse recognition and reporting. The training shall include, but not be limited to, the following topics:

Employees are required to complete a minimum of three (3) hours of training every five (5) years. HGMICS shall provide each volunteer with training on child abuse recognition and reporting.

School employees, independent contractors and volunteers shall make a report of suspected child abuse if they have reasonable cause to suspect that a child is the victim of child abuse under any of the following circumstances:

 employment, occupation and the practice of a profession or through a regularly scheduled program, activity or

A child is not required to come before the school employee, independent contractor or volunteer in order for that individual to make a report of suspected child abuse.

A report of suspected child abuse does not require the identification of the person responsible for the child abuse.

Any person who, in good faith, makes a report of suspected child abuse, regardless of whether the report is required, cooperates with an investigation, testifies in a proceeding, or engages in other actions authorized by law shall have immunity from civil and criminal liability related to those actions.

Any person required to report child abuse who willfully fails to do so may be subject to disciplinary action and criminal prosecution.

Any person who intentionally or knowingly makes a false report of child abuse or intentionally or knowingly induces a child to make a false claim of child abuse may be subject to disciplinary action and criminal prosecution.

Any person who engages in intimidation, retaliation, or obstruction in the submission of a child abuse report or the conduct of an investigation into suspected child abuse may be subject to disciplinary action and criminal prosecution.

HGMICS shall not discriminate or retaliate against any person for making, in good faith, a report of suspected child abuse.

Reporting Procedures

School employees, independent contractors or volunteers who suspect child abuse shall immediately make a written report of suspected child abuse using electronic technologies (www.compass.state.pa.us/cwis) or an oral report via the statewide toll-free telephone number (1-800-932-0313). A school employee, independent contractor or volunteer who makes a report of suspected child abuse shall immediately, after making the initial report, notify the CEO or Principal and if the initial report was made electronically, also provide the CEO or Principal with a copy of the report confirmation.

When a report of suspected child abuse is made by a school employee, independent contractor or volunteer as required by law, the school is not required to make more than one (1) report. An individual otherwise required to make a report who is aware that an initial report has already been made by a school employee, independent contractor or volunteer is not required to make an additional report. The person making an initial oral report is responsible for making the follow-

up written electronic report within forty-eight (48) hours, and shall provide the CEO or Principal with a copy of the report confirmation promptly after the written electronic report has been filed.

When necessary to preserve potential evidence of suspected child abuse, a school employee may, after the initial report is made, take or cause to be taken photographs of the child who is the subject of the report. Any such photographs shall be sent to the county agency at the time the written report is sent or within forty-eight (48) hours after a report is made by electronic technologies or as soon thereafter as possible. The CEO or Principal shall be notified whenever such photographs are taken.

If the CEO or designee reasonably suspects that conduct being reported involves an incident required to be reported under the Safe Schools Act, the CEO or designee shall inform local law enforcement, in accordance with applicable law, regulations and Board policy.

Investigation

The CEO or Principal shall facilitate the cooperation with the Department of Human Services of the Commonwealth or the county agency investigating a report of suspected child abuse, including permitting authorized personnel to interview the child while in attendance at school.

Upon notification that an investigation involves suspected child abuse by a school employee, the CEO or Principal shall immediately implement a plan that may include supervision or alternative arrangement for the school employee under investigation. The plan of supervision or alternative arrangement shall be submitted to the county agency for approval.
