

## Dental Examination

Dear Parent/ Guardian of \_\_\_\_\_

June 6, 2022

All **Kindergarten, First, Third, and Seventh-grade** students must receive a completed dental examination as mandated by the Pennsylvania School Code. Dental exams help ensure that our students are at their optimal level of health to experience the education process.

The dental examination is best done by the family dentist that is familiar with your child. The dental examination form must be completed and signed by your dentist by **January 30th, 2023** of the student's Kindergarten, First, Third, and Seventh-grade year. If the completed Dental Exam is not returned to the school by **January 30th, 2023**, the student will be placed on the obligation list until the end of April 2023.

Attached is a copy of the private dental exam form. Please have it filled out and returned to the school nurse. If you have any questions, please contact me at (570)941-4100 EXT 129.

\_\_\_\_\_ *I will have my Private Dentist complete the dental form and return it to the school by **January 30th, 2023**.*
