

Dear Parent /Guardian of: 6th grade student 2017/2018

Because students in 6TH grade are required to have a Health Physical, this letter is to inform you of what your child's specific needs are in regard to the required immunizations. This will allow ample time so the provisions can be made to obtain the needed immunizations at their 6th grade physical or prior to their 7th grade year.

School Immunizations Law requires all students entering 7th grade to have:

1 Dose of Tdap (if 5 years have elapsed since last tetanus immunization)

1 Dose of meningococcal conjugate vaccine (MCV) First dose given at 11-15 years of age

According to our records your child will need:

_____ Tdap

_____ Meningococcal Vaccine MCV (Dose #1)

Please check with your doctor to see if your child has had the above marked vaccines and Physical if not please make arrangements for these to be obtained.

If your child has already received these immunizations, Please submit a completed copy to your school nurse immediately. If your child's immunizations are incomplete, make sure to schedule an appointment as soon as possible. Failure to comply with this LAW will result in **EXCLUSION OF YOUR CHILD FROM SCHOOL AFTER THE FIFTH DAY OF SCHOOL IN SEPTEMBER.**
